

That is why I was proud to cosponsor and help shepherd to passage H.R. 1344, the Helping Heroes Fly Act, that was signed into law in 2013 and which facilitates expedited passenger screening at airports for service members who are severely injured or disabled, along with their families.

It is why I also authored the "Helping to Encourage Real Opportunity for Veterans Transitioning from Battlespace to Workplace Act of 2015," or HEROS Act, legislation which provides strong incentives for employers to hire, retain, and employ veterans in positions that take maximum advantage of their skills and experience.

Madam Speaker, let us remember and keep in our hearts the brave men and women who gave the last full measure of devotion to their country while serving in Iraq and Afghanistan or some other foreign theater of conflict.

God bless them and all who served.

And may God bless the United States.

#### LAW ENFORCEMENT TRAINING FOR MENTAL HEALTH CRISIS RESPONSE ACT OF 2021

#### HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 28, 2021*

Ms. KAPTUR. Madam Speaker, I rise to introduce the "Law Enforcement Training for Mental Health Crisis Response Act of 2021." This bipartisan and bicameral legislation has broad support from a cross section of members on both sides of the aisle. The bill would authorize a grant program to law enforcement departments and corrections officers at the state, local territorial and tribal level to obtain vital behavioral health crisis response training to more safely and effectively resolve behavioral health crisis situations. Funding for this training would be authorized under the Byrne JAG program funding.

I would like to thank Congressman ANTHONY GONZALEZ for his partnership and collaboration on today's legislation. I would also like to thank both Senator SHERRON BROWN and Senator JAMES INHOFE who introduced this bill as companion legislation in the Senate earlier this week.

The Edward Byrne Memorial Justice Assistance Grant (Byrne JAG) program, administered by the Bureau of Justice Assistance, supplies grants to local law enforcement entities for public safety initiatives. Grants authorized under this bill will be managed through Byrne JAG Prevention and Education programming.

Law enforcement officers are often the first responders to behavioral health crises. And correctional officers must deal with difficult and fast changing mental health situations, which if not handled appropriately, put the life and safety of inmates and officers at risk.

One in every 10 calls for police response involve a person suffering from a mental illness; 1 in every 4 people killed by police suffer from a mental health problem; 1 in 3 people transported to a hospital emergency room for psychiatric reasons are taken by the police. When responding to calls, law enforcement officers need to be prepared to respond to all possible scenarios and, with increasing frequency, we're seeing that involve behavioral health cri-

ses. By improving training for these types of responses, we can better keep our officers safe, ensure individuals in crisis are treated with dignity, and improve trust amongst affected communities.

Our nation owes a deep debt of gratitude to the men and women managing these situations, and this bill takes an important step to provide resources to help better manage mental health crisis situations involving police and corrections officers. Today's legislation is supported by both the Fraternal Order of Police and the National Tactical Officers Association.

#### INTRODUCTION OF THE VISION ZERO ACT OF 2021

#### HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Friday, May 28, 2021*

Mr. BLUMENAUER. Madam Speaker, today I introduced the Vision Zero Act of 2021. This legislation passed the House last session in Section 1601 of the Moving Forward Act (H.R. 2, 116th Cong.) and would make the development and implementation of Vision Zero plans eligible for federal funding through the Surface Transportation Block Grant program and the Highway Safety Improvement Program.

Traffic fatalities in the United States claimed more than 36,000 lives in 2019, equivalent to one death every 14 minutes. Traffic fatalities are especially common for the most vulnerable road users: pedestrians, cyclists, older Americans, and children. Pedestrian and cyclist deaths also make up a disproportionate and growing share of traffic fatalities. In the past decade, annual fatalities for motor vehicles have stayed largely stagnant while pedestrian and cyclist deaths have increased by 52 percent and 36 percent, respectively. We need a new approach. These are our friends, family, neighbors, and colleagues. The only acceptable number of traffic fatalities is zero.

The goal of Vision Zero is the elimination of all transportation-related fatalities and serious injuries. In more than 40 urban, rural, and suburban communities across the country, residents, activists, and elected officials have come together to adopt and implement Vision Zero plans. These plans improve safety for pedestrians, bicyclists, transit users, motorists, and vehicle passengers. Vision Zero is an innovative, multifaceted approach to improve transportation safety by using data, new partnerships, safe planning, and community-focused solutions to achieve zero traffic fatalities.

While communities are integrating their Vision Zero plans into transportation policy, the federal government has not supported the design or implementation of Vision Zero plans. The Vision Zero Act of 2021 integrates Vision Zero into federal transportation policy to prioritize safety, equity, and proper planning.

Enacting the Vision Zero Act of 2021 will help communities of all sizes develop and implement innovative, effective methods to make our streets safer for everyone. I look forward to working with my colleagues in the House and Senate to enact this legislation into law as part of a surface transportation reauthorization bill.

THANKING DOUG MATTSO FOR HIS SERVICE ON THE UNITED AIRLINES MASTER EXECUTIVE COUNCIL LEGISLATIVE COMMITTEE

### HON. ADAM SMITH

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Friday, May 28, 2021

Mr. SMITH of Washington. Madam Speaker, I rise today to recognize and thank Doug Mattson for his work on the United Airlines Master Executive Council Legislative Committee.

A Washington native, Doug went on to serve honorably in the United States Air Force. During his time in service, Doug Mattson flew T-37s, T-43s, and C-40Bs and went on to finish his time in the military as a Captain.

After his service to our country, Doug couldn't keep his feet on the ground and became a pilot for United Airlines flying Boeing 787s. For the last eight years, he served on the Executive Council Legislative Committee where he worked to protect and promote the careers of pilots, concentrating on safety, pay, working conditions, benefits, and job security. He played a key role in preparing the next generation of pilot advocates to lead on these key issues.

Doug provided a steady hand over his eight years and is an Air Line Pilots Association member his colleagues came to depend on. His ability to mentor pilots of varying political persuasions is a testament to his commitment to ensuring that the Executive Council Legislative Committee fulfilled its duty to ensure that pilots voices are heard on Capitol Hill. No matter the day or flight, he always had a smile on his face.

Even though Doug has been busy dividing time between flying and advocating for pilots nationwide, he is a family man and enjoys spending time with his lovely wife Sharon, and their two sons Eric and Cameron.

Madam Speaker, it is my pleasure to thank Doug Mattson for the time he spent advocating for his fellow pilots on the United Airlines Master Executive Council Legislative Committee.

### HONORING AZERBAIJAN ON ITS 103RD REPUBLIC DAY

### HON. STEVE CHABOT

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 28, 2021

Mr. CHABOT. Madam Speaker, as Co-Chair of the Congressional Azerbaijan Caucus, I rise today to recognize Azerbaijan on the occasion of its 103rd Republic Day.

Azerbaijan has a proud history as an independent country, beginning in 1918. With its independence, Azerbaijan became the very first secular parliamentary democracy in the Muslim world. Azerbaijan was also among the first states to grant women the right to vote. Azerbaijan's commitment to these values shows the world that they are truly universal, and that self-government and the respect for individual rights is not inimical to Islamic traditions. Unfortunately, Azerbaijan's independ-

ence was soon snuffed out by the totalitarian USSR, which sought to spread values much different to those espoused by the fledgling Azerbaijan Democratic Republic.

After the fall of the Soviet Union, Azerbaijan regained its independence. 2021 is particularly notable in this regard as it marks the thirtieth anniversary of this event.

Today, Azerbaijan remains a close partner to the United States and our allies. Throughout the United States' and NATO's long deployment to Afghanistan, Azerbaijan has been integral in ensuring stable lines of communication to the country and has partnered with us in the wider war on terror. Additionally, I find it significant and praiseworthy that as a Muslim country, Azerbaijan maintains strong relations with the Jewish community and with our ally Israel, and has done so for some time. Finally, Azerbaijan is a key energy provider for Europe, helping our allies there diversify their energy supply away from Vladimir Putin's Russia. And Azerbaijan's importance as an energy provider will only grow as a result of the opening of the Southern Gas Corridor last December.

Keeping in mind our relationship with Azerbaijan and its commitment to this partnership, I would encourage my colleagues to join me today in honoring Azerbaijan on its Republic Day.

### STEVEN CHOTIN

### HON. ED PERLMUTTER

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 28, 2021

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize Steven Chotin of Denver, Colorado who passed away on May 15, 2021.

Steven was born in St. Louis, Missouri to Miriam and Alfred Chotin. He was the only son and middle child of two sisters. He graduated from Ladue High School and attended the University of Oklahoma for a brief time. He moved to Denver, Colorado in 1973 to reorganize a company that was owned by a family friend. Shortly after he moved, he met his wife, Robin Cohen, and they were married at Beth Joseph Congregation in 1974. Prior to founding his own company, Steven worked for MDC Holdings where he played a primary role in developing their mortgage banking business.

In 1984, Steven founded The Chotin Group Corporation. Since inception, the firm successfully invested in structured financial products and real estate opportunities where he was instrumental in creating mortgage-backed securities. Throughout his career, Steven was a strong supporter of social and political causes in the Denver Jewish community, throughout the country, and Israel and the diaspora.

In addition to his family office, most recently, Steven and Robin established The Chotin Foundation which is dedicated to improving and enriching the lives of individuals, children, and families with particular interest in Jewish causes as well as secular charitable initiatives in the areas of arts and culture, education, and health and wellness. In addition, he had a genuine interest in local, state, and national politics.

Steven was a devoted husband and loving father and grandfather. Steven and Robin

raised five children and enjoyed time with their grandchildren—Jaxon, Caden, Coco, Harper, Crew, Cole and Parker. I am deeply grateful for his lifetime of service to our community.

### RECOGNIZING AMERICAN HEROES ON MEMORIAL DAY

### HON. KEN BUCK

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Friday, May 28, 2021

Mr. BUCK. Madam Speaker, I am honored to rise today in recognition of Memorial Day and in support of the countless men and women who have sacrificed their lives for the security and freedoms we enjoy in our republic.

Outside the United States Special Forces Training Center, there is a quote from John Stuart Mill that reads, "War is an ugly thing, but not the ugliest of things. The decayed and
